

Disclaimer: This card has no maintenance charges and no hidden fees whatsoever. There are no contracts or credit checks needed to use this card. You agree to the following terms and conditions as they may be updated from time to time. This card will expire with no value after ten (10) days from your first use, and any remaining unused calling credit will thereafter have become forfeited. Calling destinations included in the Hybrid Unlimited Calling card plan (the "Service") and listed on the front of this card may be changed from time to time without prior notice. See our website for the most up to date free calling destinations covered in the Service. The Service is provided to individual users only, does not allow simultaneous calls, and assumes average individual usage patterns. Carrier reserves the right to monitor and investigate your usage for exceptions to such patterns and for abuse of the Service (e.g., business usage, excessive usage reflected in minutes of use or unusually high volumes of calls placed to varying telephone numbers). Also, any calling usage in excess of five hundred aggregate minutes to the Service list of included free calling destinations per ten-day period shall be presumed inconsistent with individual usage patterns. If you fail to comply with these limitations, or if fraud is suspected, Carrier reserves the right to immediately terminate or suspend the Service without notice or refund. Call charges for destinations outside or exceeding the Service shall be deducted from the included bonus calling credit of five dollars on a rate per minute basis corresponding to the published rates available for Calling Cards on our website. Calls to landline phones are included. Calls to cell phones may be included as indicated with a star, depending on the destination, or subject to higher rates. Service excludes certain call types such as calls to non-geographic and premium numbers. Due to telephone or cellular network quality variations beyond our control, incomplete calls or even disconnection might occur. Safeguard your pin, to prevent any unauthorized persons from using your account. You will be required to register one phone account number from which to make all outgoing calls for the duration of the card validity period, and its caller ID must be enabled in order for the system to recognize your account for subsequent card use. If for any reason your caller ID is deregistered from the card, any and all available credit and/or free calling left on the card will be forfeited. Available credit and or free minutes are not refundable and not transferable to a new account. You are responsible for any fraudulent use. Carrier and distributor are not responsible for any lost or stolen cards/pins. For some providers (wireless) the (#) / send/talk key will activate another line in which your domestic/international or wireless service provider will connect your call. In such cases you are solely responsible for any charges levied on you by your chosen domestic / international or wireless service provider. The card issuer does not make any guarantee, warranty, or representation (either expressed or implied) in connection with the Service, and is not liable for any cost, liability or damage, whether direct or consequential, arising out of this phone calling card's supply or failure of the service. You may not rely on any statement of warranty as a warranty by Carrier and its affiliates, distributors and agents against all claims of loss or damage arising from use of the card including allegations or claims for libel, slander, and invasion of privacy. Carrier, distributors and agents will not be liable for any failure or performance due to cause beyond its control including but not limited to act of God, fires, flood, national emergency riots or wars, strikes, lockout, work stoppages or other labor difficulties, stoppage of service in compliance with any law order or action of any governing authority. Cards are neither refundable, rechargeable exchangeable and have no cash redemption value. With respect to any allegation, claim or dispute related to the use of the card, the liability of carrier, distributors agents, and or affiliates will be limited to the face value of the card only.
